B.Tech IT | MMMUT'29 | Aspiring AI & ML Engineer | Contributor @GSSoC '26

Gorakhpur, Uttar Pradesh, India

Summary

I am a B.Tech student in Information Technology at MMMUT, passionate about building intelligent and scalable software solutions.My interests span Artificial Intelligence, ML, Large Language Models and Generative AI, and I'm currently developing strong foundations in Python, C++, Data Structures & Algorithms, and AI Agents.I believe in solving real-world challenges using a blend of software engineering principles, data-driven decision-making, and emerging technologies.I am actively seeking opportunities to collaborate on projects, hackathons, internships, and open-source contributions in the fields of IT, AI, and ML.

Education

Madan Mohan Malaviya University of Technology

Bachelor of Technology - BTech, Information Technology · (August 2025 - August 2029)
